

**REACH our Children**

**RESOURCE our Ministry**

**RENEW our Spirit**

On Sunday, January 18, about thirty people from the congregation gathered for an overview of these Ministry Initiatives and to consider being part of three task teams that are being called to guide the process and plan ways to reach our goals. Below is some of the information that was shared at that gathering.

### **Ministry Initiatives and Goals**

**REACH** our Children – facilitator Rozenna Hartman

Promote spiritual nurture and development of families with children and youth.

**RESOURCE** our Ministry – facilitator Pastor Dave

Discover and develop resources to support the ministry of the congregation.

**RENEW** our Spirit – facilitator Brandon Grady

Spark and revive spiritual vitality to deepen relationships with God and one another.

### **Task Team Process**

Appreciative Inquiry - What are we already doing well in these areas of ministry?

Articulate a Vision – What do we value and what is our purpose in each area?

Gather Information – Talk with those most affected and involved in each area and explore what other churches are doing well and how they made it happen.

Enhance Current Ministry - Evaluate what we are doing in light of all these aspects and consider how can we enhance what we are already doing for greater success?

### **Timeline**

Phase 1 (Jan-Apr) – Inquiry, Vision, and Gathering

Phase 2 (May-Aug) – Objectives, Plans and Timelines

outline and present specific steps we can take to enhance our ministry

Phase 3 (Sep-Dec) – Congregational Awareness and Opportunities

share implementation plans and identify opportunities for involvement

You will soon be hearing more about this exciting new direction in our life together as a congregation. In the meantime, feel free to contact Rozenna, Brandon, or Pastor Dave with your questions, comments, or suggestions. And please pray for God's leading in this process so that we may truly seek the mind of Christ in all that we do together.
