

RESOURCE our Ministry

Discover and develop resources to support the ministry of the congregation.

November is RESOURCE Our Ministry month as we highlight the objectives of this ministry initiative. After Youth Sunday (November 1), we will follow this “itinerary” through the month:

- Nov 8 – Moment for Mission and re-introducing Sharing in Outreach (see below)
- Nov 15 – Showing where our Outreach dollars go
- Nov 22 – Presenting the Sharing in Outreach results
- Nov 29 – Giving thanks for our resources and demonstrating our commitment

The Sharing in Outreach board which was in the gathering area during October will move front and center as we continue to recognize the many ways we serve. We want to see the volunteer activities which you are involved in and passionate about, both within and beyond the church. How do you reach out? Teaching Sunday school, contributing for School Kits, assisting at the Brethren Home? Serving as a volunteer firefighter, praying for a friend, being a teacher's aide?

Please write your information (name not required) on one of the provided sticky notes and place it on the Sharing in Outreach board. Or contact the church office by phone at 717-637-6170), or via email to blackrockcob@comcast.net, or by mailing to 3864 Glenville Rd, Glenville PA 17329.

After Sunday, November 15, we will collect and collate the notes into areas that are similar and present the results the following Sunday, November 22. On the last Sunday of the month, November 29, you will receive sticky dots to place beside the areas in which you have the most interest and involvement as we celebrate our commitment to Sharing in Outreach.
